FACT SHEET

for the 7th ANNUAL OSAC APPRECIATION DINNER

Host: The International Security Foundation (ISF) is a nonprofit organization created in 2011 by the private sector members of the Overseas Security Advisory Council (OSAC) to fund OSAC programs, events, workshops and other information-sharing/networking opportunities across the world for the U.S. global security field. Funds raised through the annual OSAC Appreciation Dinner allow OSAC to meet ongoing security-information needs and respond to new initiatives. OSAC relies on ISF funding to meet its mission since The Federal Advisory Committee Act prohibits certain OSAC Councils from receiving federal funding.

The ISF is a 501(C) (3) organization. Gifts are tax-deductible as allowed by law. Tax ID #: 80-0719130
