JUDGE WILLIAM WEBSTER'S REMARKS

The ISF Virtual Reception ended with inspiring remarks by one of the security industry's legends: Judge William Webster, Chair Emeritus, Homeland Security Advisory Council, and the only person to have been Director of the CIA and FBI. His words on OSAC's impact and the vital role every security professional is playing during the pandemic are well worth multiple viewings. Thank you, Judge Webster!

THANK YOU, SPONSORS!

The generosity of our ISF Virtual Reception sponsors, especially in a challenging year for many corporations, made all the difference in the ISF's continued ability to fund critical OSAC programming for 2021. Thank you!

This year, leadership-level sponsors could host a free networking seminar. Hundreds of security professionals have participated to date. Register today for the final sponsor-hosted networking program.
